

# Year 3 and 4

Year 3 and 4 have been acting out the myth of Romulus and Remus. Some great drama has been produced...we can't wait to write our own myth soon.

Mrs Burgess

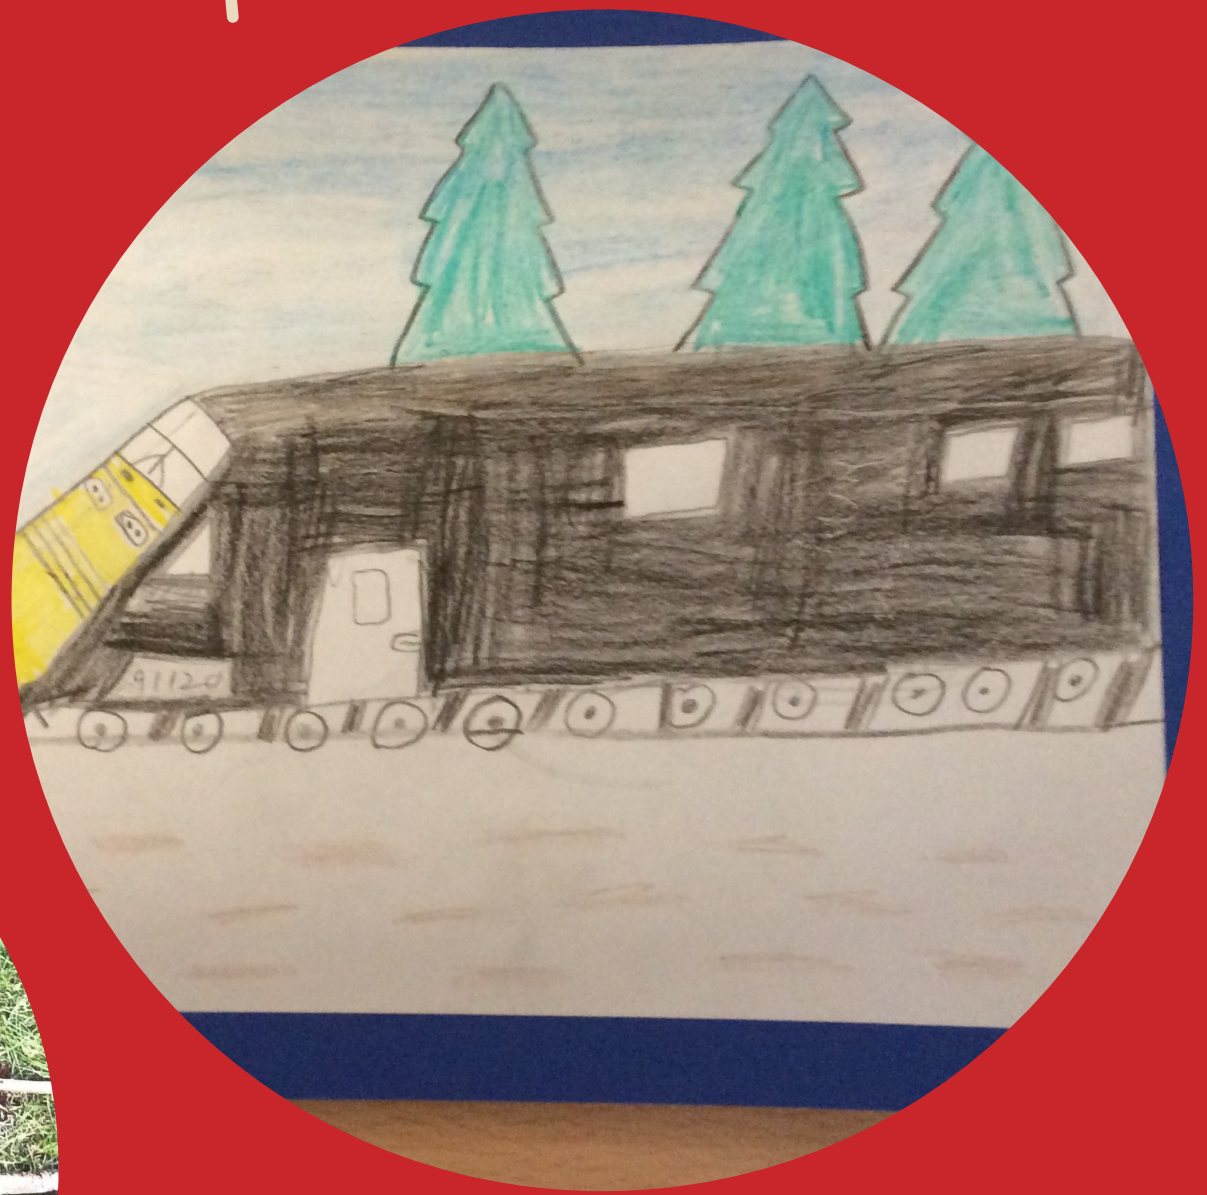

Year 3/4 enjoyed doing some wild art and making some trains out of natural materials for the Staveley Art Competition.

Mr Lynch

# Staveley Art Competition

This week the whole school have been working hard on their art and we have entered Staveley Town Council's art competition. Our theme was local railways and everyone has done an amazing job - fingers crossed we get a winner!

# Maths

All children across school work extremely hard to learn their times tables. As we know, times tables are part of all of our work in maths and in every day life. Next Wednesday, the Year 4s will complete the National Multiplication Check. The progress they continue to make is excellent, they should all be very proud! Let's keep up the great practise ahead of Wednesday! Miss Jarvis

# Gardening

We are growing lots of vegetables in our school garden. Here are some of the things we have planted so far. The potatoes are growing really well inside the tyres. Staveley Allotment Association have been helping and advising us. Next year we are going to have a wild flower area as well to encourage wildlife.

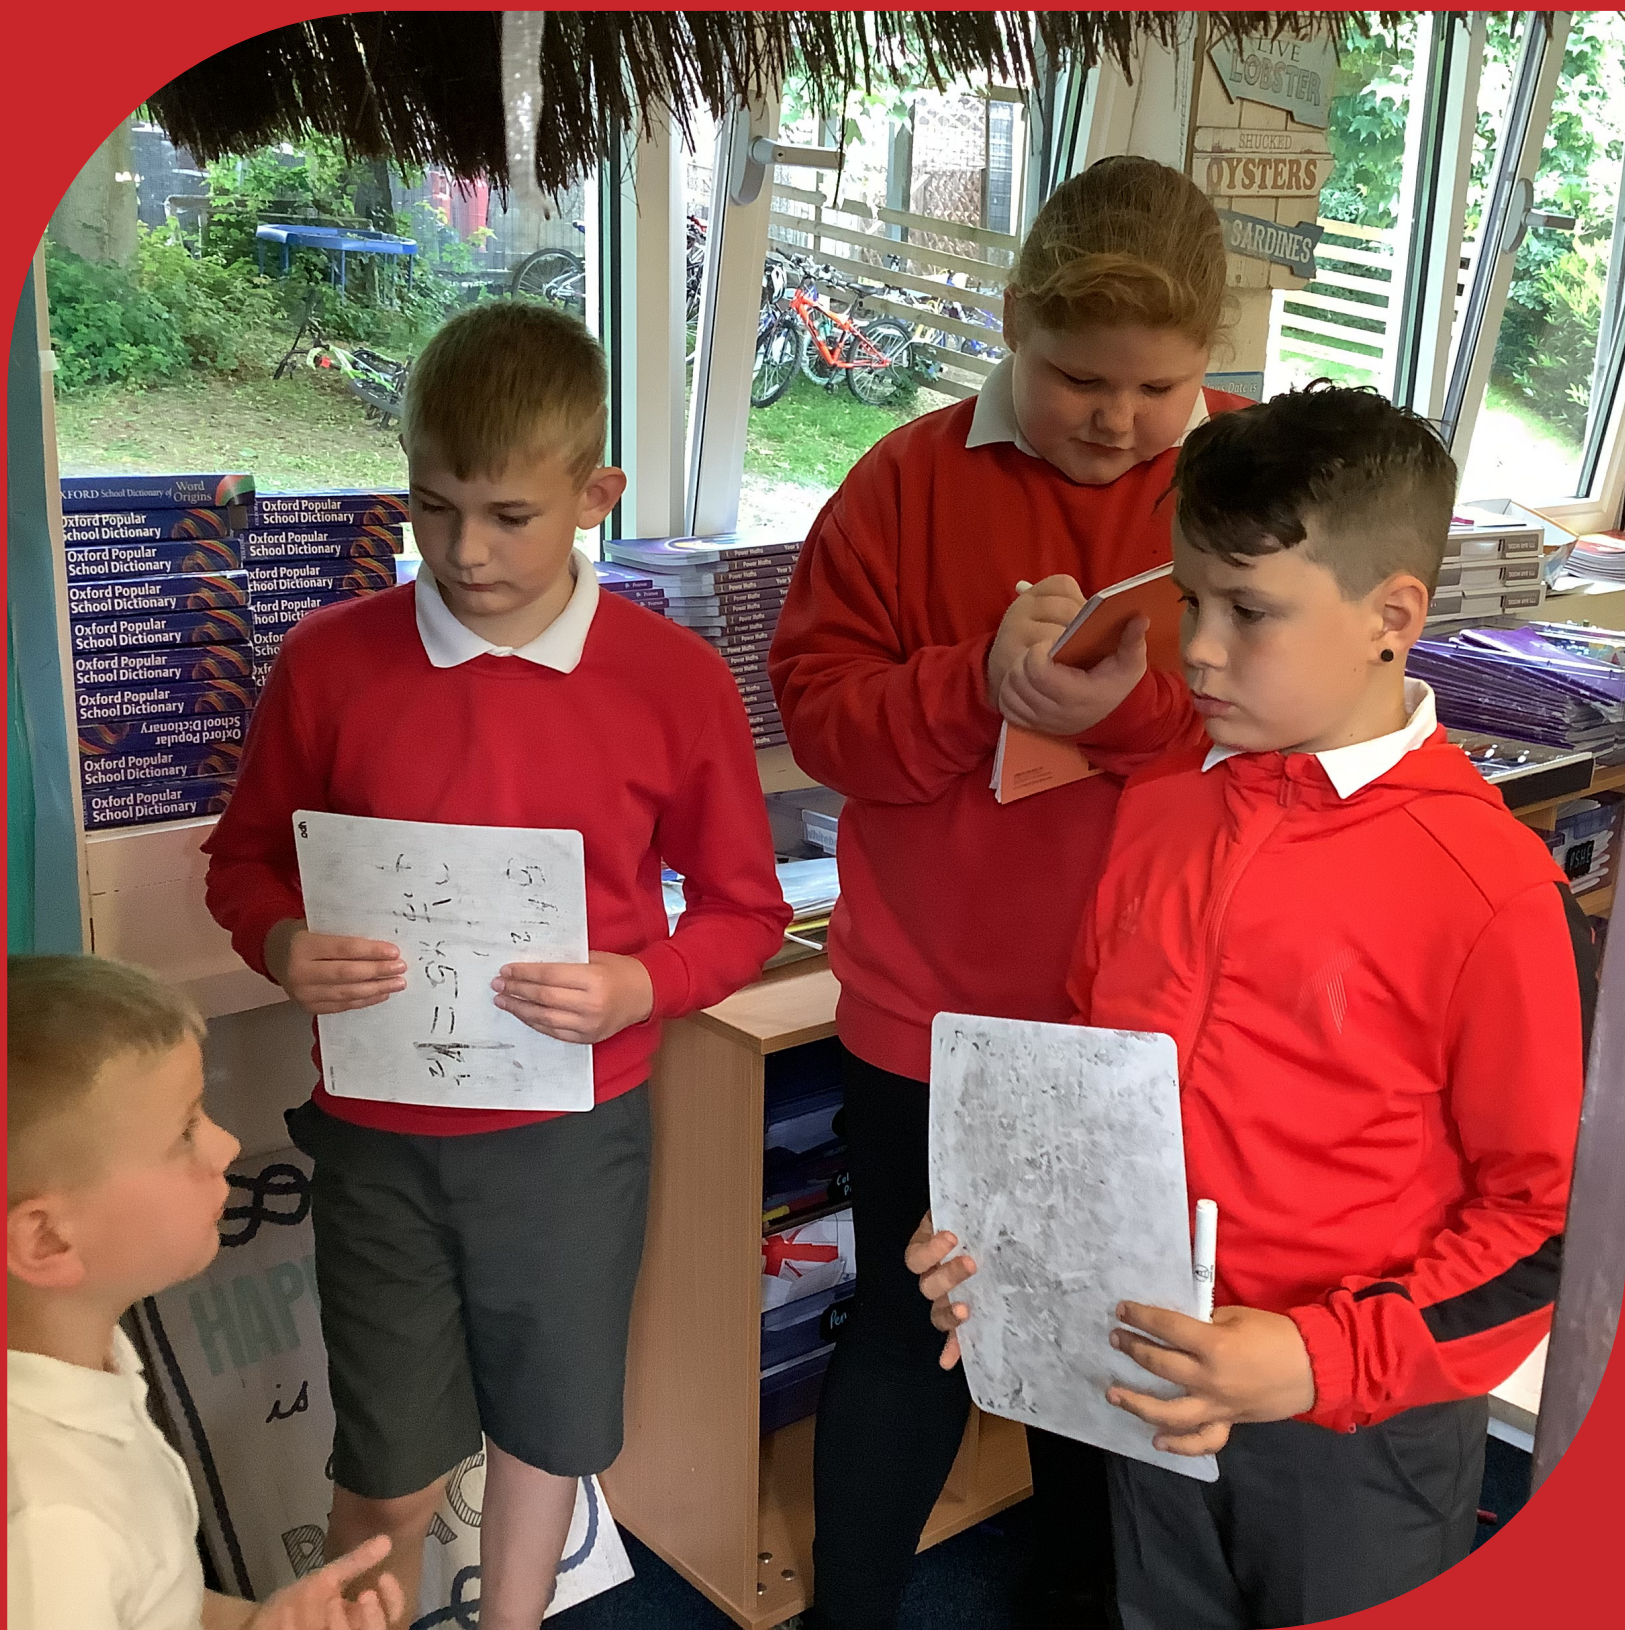

# Year 5

Today year 5 have been conducting interviews for a knight to defeat the great monster Grendel. This work is based on our book study "Beowulf."
