# Romans

Amazing projects have been sent into school this week, all about the Romans! I can't wait to see what other projects get sent in. Next week, we can act out being Romans during our trip to Murton Park.

# Year 3 & 4 Faith Trail

On Monday, children in Year 3 and 4 went to Derby to see different places of worship. They saw a Muslim Mosque, a Hindu Temple and a Sikh Gurdwara. All of the children learnt so much and were a credit to the school. Well done lower school.

## Football

Our Y5/6 girls competed superbly in the football tournament at Staveley Miners Welfare FC on Friday morning. They played 6 matches in total, winning 1 game and drawing 2 games. There were excellent goals from Summer, Kayla and Suzie. All the girls showed great teamwork, enthusiasm and determination. Well done girls! Mr Lynch
